NEWS WITHIN SCHOOL

- Last night we celebrated our **Ace Evening**. This was a huge success, and we welcomed over 300 people into our school to celebrate the many successes of our students, and were entertained with many wonderful performances from both students and staff. More details to follow in our last Brightside of the term. We also opened our 'Silent Art Auction' with a fantastic response already, many thanks to everyone who has already bid on our various pieces.
- We held our sports day over two days this week, due to the hot weather. Many different events were spread over the course of two mornings, with students showing some great skills out on the field. Results will be shared in the Brightside next week.

EVENTS COMING UP

- Our last day of term will be on Friday 22nd.
We will finish at 12.30pm.
- Please see the poster for the upcoming Pewsey Youth Engagement Day being held on Saturday 6th August.

There will be a full Brightside Newsletter next week to share all the wonderful events from this half term.
