1. Introduction: what is a publication scheme and why has it been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available either on our website to download and print off or in paper form.

Some information which we hold cannot be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Objectives

Pewsey Vale School aims to:

- enable every child to fulfil his/her learning potential, with education that meets the needs of each child,
- help every child to develop the skills, knowledge and personal qualities needed for life and work.

This publication scheme shows how we are to pursue these aims.

3. Categories of information published

The publication scheme shows the information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus – information published in the school prospectus.

Governors' Documents – information published in the Governors Annual Report and in other governing body documents.

Students and Curriculum – information about policies that relate to students and the school curriculum.

School Policies and other information related to the school - information about policies that relate to the school in general.
