Policy statement

Acorn Education Trust is committed to ensuring that students and parents/ carers understand the absolute importance of full attendance at school. Absence has a detrimental effect on a student's academic progress; indeed, it is the greatest determinant of under-achievement at all phases. Poor attendance or sporadic absences may also be an indicator of underlying issues that need resolving either inside or outside of school. Absence from school may also mean that a young person is more vulnerable to safeguarding risks, such as sexual and criminal exploitation, including county lines activity. As such, all our schools invest time and money in working with families to make student attendance a top priority. As a Trust, we take our duty to safeguard children and our mission to challenge educational and social disadvantage seriously. Securing great attendance for all students is at the heart of our work. We work tirelessly to create a culture in our schools where students want to attend and we see great attendance as a benchmark of our climate.

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school
- Creating an environment where children and young people have a strong sense of belonging.

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

- Work actively with children and families in Nursery and Reception classes to emphasise the benefits of high attendance; to instil and reinforce good habits of attendance from the start of their educational journey
- Ensure every child of statutory school age has access to full time education

- Communicate a clear and transparent process around the management of attendance to parents and carers following the listed process: prevention and reward / recognition; support and challenge with punitive measures where necessary; and legal action and / or external agencies when other measures have no impact
- Not to grant extended leave during term time and will automatically refer to the local authority to fine
- Involve other external agencies if we believe there could be wider safeguarding issues surrounding the child
- Ensure that systems to report, record and monitor the attendance of all students, including those who are educated off-site, are implemented

3.4 The Headteacher

- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.5 The Designated Senior Leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Monitoring and analysing attendance data

The designated senior leader responsible for attendance is Miss C Dean and can be contacted via 01672 565000 or attendance@pewsey-vale.wilts.sch.uk.

3.6 Class teachers and form tutors

Class teachers and form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office (morning registration at 8.30am and afternoon registration at 2.00pm).

3.7 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the relevant member of the attendance team where appropriate, in order to provide them with more detailed support on attendance

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8.25am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the attendance team, who can be contacted via 01672 565000 or attendance@pewsey-vale.wilts.sch.uk.

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.30am and ends at 2.50pm.

Pupils must arrive in school by 8.25am on each school day.

The register for the first session will be taken at 8.30am and will be kept open until 8.50am. The register for the second session will be taken at 2.00-m and will be kept open until 2.05pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.25am, or as soon as practically possible, by calling the school admin staff, who can be contacted via 01672 565000 or attendance@pewsey-vale.wilts.sch.uk.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

If absence is to be requested parents/carers should contact the school via 01672 565000 or attendance@pewsey-vale.wilts.sch.uk. Should the request be for any reason other than a medical or dental appointment please follow the procedures for term time absence below.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Pewsey Vale school will monitor punctuality on a daily basis. Any student arriving after the morning registration session will be signed in by a key member of staff and parents/carers will be notified.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Contact the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact police, social services and/or the educational welfare officer
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with we may issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via the Attend software (regular updates will be provided and if a stage is reached a notification will be issued).

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'.

As a leave of absence will only be granted in exceptional circumstances, leave of absence will not be granted for the purposes of a family holiday.

Headteachers within Acorn Education Trust are expected to liaise with other schools within the Trust when families request time off in term time if there are siblings at more than one school.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence or as early as practicable, and in accordance with any leave of absence request form, accessible via the school website [Attendance - Pewsey Vale](#). The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Pewsey Vale School's strategies for rewarding and improving attendance include:

- Letters home where good attendance is achieved
- Reward points issued to pupils weekly
- Attendance focus fortnights, at key points, with any pupil with 100% attendance in these weeks receiving a chance of an additional reward
- When a pupil has been absent from school they will be welcomed back by their form tutor, with support where necessary

Good attendance will be celebrated in school via assemblies and tutor time. Pupils who have 100% attendance by term 4 will be issued with an attendance badge. Pupils who have 100% attendance by the last day of the summer term will receive a Headteacher commendation and receive an attendance tie.

We may contact you if we are concerned about a pupil's attendance and offer support to improve attendance. Where attendance does not improve a school attendance meeting may be held to look at further supportive measures to improve attendance. We may also offer parents an attendance contract which would be put in place alongside an Early Support Assessment which would run for a minimum period of a school term.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

We want to support all children and young people to attend and enjoy school. Where there are complex barriers to attendance, due to the specific needs identified, these will be considered on a case-by case basis. The school will work with the child/young person and their family, to provide support in the first instance and a specific plan will be built together to support the family with the child/young person at the centre, to see an improvement. We want parents/carers to feel supported and able to speak to staff and seek help at the earliest opportunity.

The school will make regular welfare checks for any pupil/young person who is absent for a period of time which is unexplained, or the child/young person is regularly absent from school with a known physical/mental health condition.

7.2 Pupils absent due to mental or physical ill health or SEND

Where pupils are absent due to mental or physical health or SEND, the school will work closely with the family and make appropriate adjustments and ensure the correct support is in place, specific to the pupil's needs.

The attendance team will meet on a weekly basis and this will discuss all pupils whose attendance is low or decreasing. Support will be put in place to support the pupils and their families to improve attendance. Where a student has SEND or medical needs these cases will be discussed with the SEND team and an appropriate keyworker assigned. We have a broad range of strategies that will be implemented to support pupils including short term access to the welfare hub, short term reduced timetables, referrals to external agencies (such as CAMHS, Stronger Families, Spurgeons, etc.). Approaches taken will be bespoke to the needs of the pupil and will be carefully monitored and adjusted to ensure best outcomes.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

The school will work closely with families and pupils where there has been an extended period of absence. This will be done on a case-by-case basis and, where necessary, may include a period of a reduced timetable to give a phased return.

Prior to the return of the pupil to school, a meeting will take place with a member of the attendance team. This person will take on the role of 'keyworker' and will put together a bespoke package to enable the pupil to successfully return to school. Over the following half term the keyworker will regularly contact parents/carers and discuss progress.

8. Attendance monitoring

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a pupil's absence goes above 3 days, the school will contact the parent/carer of the pupil to discuss the reasons for this. If a pupil is late to school, the school will also contact the parent/carer of the pupil to discuss the reasons for the lateness.

If a pupil's absence continues to rise after contacting their parent/carer and offering support to help improve a pupil's attendance, we will consider involving the education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level

absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Pewsey Vale school collects and stores attendance data. It may be used to:

- Track the attendance of individual pupils
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- Monitor and evaluate those children identified as being in need of intervention and support

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to [class teachers/form tutors], to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above).

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Acorn Education Trust attendance lead and the Headteacher.

At every review, the policy will be approved by the Acorn Education Trust Board.

10. Links with other policies

This policy links to the following policies:
