EVENTS THIS WEEK

- Our **Service of Remembrance** was held in school on **Monday** to honour the service and sacrifice of all those that have defended our freedoms and protected our way of life.
- Our **Year 11** students began their mock exams on **Tuesday**, these are sat under normal exam conditions. Students have been given their timetable of exams. Students will attend normal lessons when not sitting an examination.
- On **Thursday** a number of our Year 8 Sports Leaders helped at a KS2 SEND new age **kurling festival** at the Vale sports centre.
- **Year 10 Parent's Evening** was held in school on **Thursday**, this was a well attended and positive evening.
- A number of our Year 11 students travelled to Trafalgar School, Downton on **Friday** to take part in a **Badminton tournament**, we look forward to hearing how they get on.

EVENTS COMING UP

- We will be hosting our **Presentation Evening** on **Thursday 28th November** at 6pm. This is the event where we celebrate our former Year 11 students and they come in to collect their GCSE Certificates.
- On **Friday 29th** the **Year 10 Art students** will be visiting Roche Court sculpture park in Salisbury.
- **Bags 2 School** will be making a collection from school on **Monday 9th December**. Bags will be sent home with students prior to this for you to fill with any unwanted items of clothing. It is a fantastic way for the PTFA to raise funds for the school.

CAREERS

• **Digdata** is thrilled to announce free virtual work experience events with National Highways this November and December. These career challenges are designed to develop key employability skills such as problem solving, data literacy, storytelling, and presentation. Hosted on Microsoft Teams, these sessions take place outside of school hours, making them easily accessible.

Students will enjoy: • A 45-minute briefing with the National Highways team • The opportunity to complete a career challenge at their own pace • Certification upon completion.

These events provide valuable insights into emerging careers and help students build skills that will enhance their future education and employment choices.
