EVENTS THIS WEEK

- Our **Year 8 football team** played a match against Stonehenge on **Monday**, unfortunately it was a loss this time, best of luck next time team.
- The **Year 11 Food Tech** students have been completing their Food Developing Skills this week, with some fantastic dishes being created.
- The **Year 11 Geography** students went out into the village on Wednesday so that they could complete the fieldwork section of their Paper 3.
- On **Thursday** a number of our **Year 7 & 8 Sports helpers** were involved in assisting with the primary school dodgeball tournament.
- We held an **open Parent Forum** on **Thursday**, giving parents and the wider community the opportunity to come into school and meet with members of the **Acorn Education Trust**.
- We have started to offer **breakfast** items in the **canteen** before school each day. The canteen will be open between 8.00 and 8.30 each morning for students to purchase any cereals, cereal bars, fruit, yoghurt and both orange and apple juice.
- The school office has sent out a communication this week kindly asking all parents/carers to check their Sims app to make sure that the data we have on the system is correct. This includes checking home address, contact telephone numbers, email addresses and emergency contact details. To check this information please click on your students photo/profile and go through to the data collection section. This will allow you to complete your checks and make any required changes. Thank you for your cooperation and please do not hesitate to contact us if you have any questions.

EVENTS COMING UP

- Our **Year 9 football** team are playing Wellington Academy on **Tuesday 28th January**.
- On **Tuesday 4th February** we have a team from **Thriving from Venture** coming in to run a workshop with the **Year 10** students all morning.
- On **Tuesday 5th February** our **Year 11 History** students will be visiting the E5 Conference centre in **Bristol** to see “The Doctors Show”. Students will be able to take part in an exam workshop and see a play about key events in the history of medicine. This will help them revise for the GCSE course they will be assessed on, in Paper 1 for the History GCSE.
- **Thursday 6th February** our **Year 11** badminton team will travel to the Melksham sports campus for the county finals **badminton tournament**. We wish them the best of luck.
- All our **Year 7** students will be visiting **Salisbury Cathedral** on **Monday 10th February**. This trip is a great opportunity to expand cultural capital experiences for our students. During the day they will be attending a series of workshops which links to many of their curriculum areas, including History and RE, but will also give them the chance to explore more about their local history and how this has played a part in developing the fundamental British values that we follow today.
- **Bags 2 School** will be making a collection from school on **Wednesday 12th February**. Bags will be sent home with students prior to this for you to fill with any unwanted items of clothing. It is a fantastic way for the PTFA to raise funds for the school.
- **The HCRG School Immunisation Team** will be in on **Thursday 13th February** to offer the **HPV Vaccines** to those **Year 8** students whose parents have completed the permission form.

On Friday 28th February we have a team coming in to school to run a Dragon’s Den enterprise day with the students in Year 9.

INFORMATION

- In partnership with UK Research and Innovation

Festival of Tomorrow is an action packed exploration of the wonders of science, innovation and the arts to share new discoveries and technologies to help choose the future we want to see. Centred in Swindon, the hub of UK research and innovation, they share the knowledge and research which will shape the future of the World. They work with partners to create opportunities for everyone to grow our understanding of how science works, and how it can shape our choices in a changing world.

The Festival of Tomorrow 2025 programme is now live! Get ready to experience the Earth from a new perspective, as the festival returns with more venues, events and activities than ever before from the 12th to 23rd February.

Join them as they explore the ideas, research and innovation that will help shape our future...
