### **United College Sixth Form, Swindon**

We have designed the curriculum so that our students are provided with the environment, ethos and opportunities to develop high performing skills and qualities. This enables them to go onto the next stage of their life as confident and competent individuals.

We understand that it can be daunting moving from GCSE into A Levels, so we offer an exceptional level of support to keep you on track: both in terms of academic direction and study skills support, but we also prioritise our students' wellbeing. UCSF has a big family feel; everyone gets together in the dedicated Sixth Form centre. Within the centre, students have their own library, study rooms and ICT facilities. There is also a common room for the students to meet, work together and relax.

As well as a strong focus on their academic work, we encourage all UCSF students to be fully involved in the life of the Academy. Our Sixth Formers play an important role as leaders and role models to the younger years. We have a large student leadership team run by the Student Presidents. Roles within the team involve leading on student wellbeing, running charity and cultural events, academic mentors and much more. As well as contributing to the wider community these opportunities encourage the development of those skills which universities and employers tell us they are looking for.

Being a student here is an exhilarating and rewarding experience which will equip you to take those next steps. We look forward to welcoming you and supporting you on your journey to a bright future.

### **The Ridgeway Sixth Form College, Swindon**

At The Ridgeway Sixth Form, we pride ourselves on the friendly and inclusive atmosphere. Many of our students stay on at The Ridgeway from Year 11, but we also welcome a good number of students from other schools each year.

The sixth form has its own dedicated area in school, with its comfortable and well-equipped study centre, computer room, café, quiet study room and wellbeing room. Our sixth form student advisor is always on hand to give advice or to support students in their learning. Our students enjoy the challenge that A-level study brings, and a number have progressed to the UK's top universities, including Oxford and Cambridge, to study a wide variety of subjects supported by our R6 Aspire programme. Our BTEC courses are equally successful and students progress from these to employment, apprenticeships or higher education.

### **The Park Academies Trust Sixth Form, Swindon**

As The Park Academies Trust Sixth Form, we aim to be a centre of educational excellence that inspires all students to turn their potential into performance. The Park Academies Trust Sixth Form is the place for academic rigour. We are dedicated in providing the very best opportunities for our students with a particular focus on developing confident learners who achieve high A level and vocational grades thus opening the door to the best Higher Education available to them.

Our pastoral support provision aims to ensure that our students' time during sixth form is a happy and successful one where they can achieve their full potential in a setting in which everyone's individual qualities are celebrated – don't be anonymous, be remarkable.

We provide an ambitious and knowledge rich curriculum, delivered by subject specialist teachers, offering opportunities which broaden the experience of our students. Our curriculum focusses on the 3Cs – Character, Culture and Currency (attainment) and is designed to meet the needs of our students in today's society, fully preparing them in progressing onto high quality, aspirational post-18 destinations.

### **St Johns, Marlborough**

At St John's we believe that education is about equipping students with the skills and attitudes to take a meaningful place in society. To do this we need to ensure our young people are given the chance to explore subjects in depth and develop a passion for learning, enjoy extra curricular activities and consider all the opportunities available to them after St John's. The Sixth Form is a journey and the team at St John's is here to work with our young people to help make that journey a success.

### **St Laurence School, Bradford-On-Avon**

St Laurence 6th Form is a vibrant, dynamic and motivational learning community; students leave with the knowledge, skills and qualifications to face their future with confidence. You will find us to be a warm and welcoming 6th Form. This is borne out by the increasing cohort of students that join us from other schools because of our growing reputation for successful achievement.

We have an excellent academic record and a well-documented legacy of success for our students applying to Oxbridge, Russell group and other universities, with many securing places to their first choice. You may choose the apprenticeship route or go directly into employment after 6th Form - our carefully structured programme will give you all the information you need to make aspirational and informed choices.

Our 6th Form prioritises student well-being. We understand the pressures you face as young people in a constantly changing society and strive to provide support throughout your time with us through our tailored PSHE Core programme, Counselling or Careers Advice.

We believe in nurturing physical and mental well-being by having fun and, at the same time, giving back to the school and wider community. We provide opportunities to lead on our many charity events such as our popular charity fun run. These experiences develop the ability to support others through developing your own leadership skills while also supporting fellow students. We are really excited to meet you and join you on your journey to the next steps in St Laurence 6th Form.

### **Royal Wootton Bassett Academy**

We are proud of our inclusive environment where students are encouraged to be role models for younger students and to work alongside the Sixth Form staff in order to shape their futures. Whether you are aiming to go onto University, apprenticeships or employment we offer a wide range of courses to suit your needs.

RWBA Sixth Form offers an education that is focused around the individual. We pride ourselves on building enrichment opportunities around the students who are studying with us and each voice and need is important to us. Each student is given the opportunity to meet their aspirational goals through excellent subject teaching, intensive support, Tutor guidance and advice which provides a clear focus on study, choice and the next steps.

I strongly believe that students succeed when they are willing to assume responsibility for their own learning. Self-motivation, self-discipline and the ability to work independently are all key to student success but we also encourage our students to grow from supporting the wider school community.

Opportunities to shape wider school policy via the Sixth Form Student Leadership Team, enhancing the learning and development of our younger students through Student Ambassador Programmes and supporting our wider community and charity work are just some of the ways in which our Sixth Form students develop into adults that we are proud to call our own. I hope that you will join us during this important and exciting part of your life."

### **Matravers School, Westbury**

Matravers Sixth Form was established in 2000 and has grown steadily year by year. We now offer on average thirty AS/A level courses and BTEC Diplomas at level 3 in ICT and at levels 2 and 3 in Travel and Tourism. We have a history of students achieving superb above national results and progressing on to Higher Education and good careers.

Matravers Sixth Form students achieve excellent results. Through supportive and challenging teaching we ensure that we cater for all students and have a strong record of success with students of widely differing abilities and aptitudes. We enter all students for exams as long as we believe they have a possibility of passing them. Students and parents are given very clear information and guidance about their performance throughout their courses and will be made fully aware of their potential, targets, progress and achievements.

### **The Clarendon Academy, Trowbridge**

The teachers and support staff at our school are committed to supporting each of our students as they refine the range of academic and social skills they need to be a success in their future. In my role as Head of Sixth Form, the progress and the welfare of every single one of our students are my greatest priorities.

For most students, the two years they experience in Sixth Form will be some of the most memorable and most important years in their lives: They will face new and tough challenges in their studies, but they will also become more knowledgeable, more efficient, and more insightful in how they address them. They will encounter new responsibilities and new expectations from the people who surround them, but they will also make new friends and be given every opportunity to prove their potential. They will make pivotal decisions that may affect the rest of their lives, but they will also receive support and guidance of the very highest quality.

[Welcome to Clarendon Sixth Form - Clarendon Academy](#)

### **The John of Gaunt School, Trowbridge**

Our Sixth Form is a lively place to be. Our teachers are passionate about their subjects and this is conveyed through dynamic lessons and academic achievement. Our students receive an exciting and challenging learning experience. As a direct result, our Post-16 results are very good.

[The John Of Gaunt School - Sixth Form](#)

### **The Wellington Academy, Tidworth**

The Wellington Academy 6th Form is unique. As well as excellent grades in a range of subjects in both A-Level and BTEC options, we offer an outstanding range of extra opportunities that you will not find anywhere else.

The ethos of the 6th Form is 'limitless aspiration'; we spend a lot of time ensuring that students not only succeed to the best of their ability in subjects of their choice, but they leave us at the end of year 13 having had the opportunities to experience programmes designed to both enhance their future choice prospects, and also develop as a young adult ready for the world beyond school.

The 6th Form has grown in strength each year. Our results improve year on year, and the number of opportunities increase also. Student feedback is very positive, with all students rating the department as being very supportive and effective in this support. Whilst our numbers are increasing each year, we are still a small enough 6th form to be able to offer personal support and guidance and bespoke curricular plans. A common theme in feedback is the 'family atmosphere'.

Students leave us to greater things at the end of year 13. Last year for example, **every single student** left to a destination of their choice, be it higher apprenticeships, university, or employment; over 70% of students chose university as their destination and these choices included Russell Group universities.

As we are a boarding school, we have a healthy number of boarder students, and this increases the diversity of the student body and leads to opportunities to develop cultural awareness and increases the richness of classroom discussions.
