Since the government has cancelled this summer's exams, you may be feeling uncertain about how and when you will be awarded your results, and what impact this may have on your future studies at Hartpury.

Please rest assured; if you have an offer of a place at Hartpury College, then your offer remains in place and the terms of your offer still apply. We are taking all appropriate steps to ensure that all suitable applicants can still start their course with us.

Details from Ofqual about how grades will be calculated can be found [here](#).

The government has announced its priority is, "to ensure affected students can move on as planned to the next stage of their lives, including going into employment, starting university, college or sixth form courses, or an apprenticeship in the autumn." They have emphasised that they are focused on ensuring that this year's students are not disadvantaged in terms of their results.

We will be closely monitoring the guidance and are confident that our admissions processes are able to deal with these exceptional circumstances.

If you have any other queries about your application at this time, then you can contact our admissions team by email

Top Tips for preparing for College

It is important to understand what to do in preparation for your next steps in education. Here are our top tips;

- 1. Have a look at what Hartpury has to offer** - Did you know that we have a Students' Union? Students are able to join our clubs and societies, including Hockey, Breeding Society, Green Leaders, LGBT+, Media and Polo.
- 2. Look out for your Coming to Hartpury guide** - You should receive your enrolment guide via email or post in the summer, which will include information on term dates, enrolment dates and times, clothing and equipment.
- 3. Course shopping** - Make sure you have all the stationery you need, e.g: pens, notepads, ring binders etc. Further information regarding kit lists will be coming soon, check our website for further details of general Hartpury clothing.
- 4. Read up on your subject** - Reading around your subject will help build your confidence and knowledge, ready for September.

"When you become a student at Hartpury College, you become part of our close-knit Hartpury family. You're part of our history and, most importantly, part of our exciting future"

*Russell Marchant,
Principal*

Level 3 Extended Diploma: Farm Mechanisation

Hartpury College trips, UK and abroad.

College trips are a great way to broaden your learning and connect with other students. At Hartpury, we organise a wide range of trips and visits locally, nationally and internationally. Some trips are connected to your course like the optional 2-week study tour of **Borneo** for Level 3 Animal Management students, or the spectacular Equine visit to **Vienna**. Others, such as visits to local cities and the Christmas markets enhance the student experience at Hartpury.
