Dear Parents and Carers,

I am writing to inform you as part of our consultation to further extend our school day from September 2025.

As you are aware, there was an expectation from the Government regarding the length of the school day across the Country. Consequently, we introduced an earlier start to our day last year, we are now consulting on extending the school day further (as required) and proposing a later finish time of 15:00pm.

Therefore, our proposed changes are as follows;

- Start Time: 8.30
- End Time: At the slightly later time of 15.00

We have initially contacted transport companies to assess whether this will have a detrimental effect on students transport and will continue to consult with passenger transport.

Please share any comments or questions about these proposed changes to - academyconsultation@pewsey-vale.wilts.sch.uk . We appreciate your continued support in shaping the future of our school.

Kind Regards

Mr N Pritchard
Head Teacher
