

April 2025

Dear Parents/Carers,

I am writing to inform you that, effective from 1st April the charges for food purchased in the canteen will rise by 10-15%. This adjustment has been applied across all Acorn schools and is due to a rise in running costs, including gas and electricity, staffing and ingredients required to produce meals for pupils.

I apologise for any inconvenience caused. If you feel that your child could be eligible for free school meals and currently does not access this provision, please do get in touch with us.

Kind regards
