

Hello,

I'm pleased to let you know that all successful S6C applicants have now been given access to a webpage with all available summer work as well as 60 second videos introducing them to their teachers.

Applicants received the following message earlier this week, which I have included for your information:

We are here to support you through this transition from school to college to ensure it is as smooth as possible. Although you may not be sitting your exams this summer, it's really important to prepare yourself for your next step in education.

Freshers Day: Due to the current situation we are unable to hold our Fresher's Day at the college as planned; but we have set up a dedicated webpage where you'll find summer activities for your chosen subjects and where you can also 'Meet Your Teacher'
<https://www.salisbury6c.ac.uk/study-with-us/meet-your-teachers/>

Enrolment: Our enrolment days are planned for late August, after you have received your GCSE results. We will invite you in to S6C, with your GCSE results, and enrol you onto your programme of study. This is another opportunity to discuss with staff your subjects. At present we still plan to do this, but your safety is our priority and we will follow government guidelines at the time.

News from S6C: Remember you can keep up to date with what we're doing at S6C by following us on social media

On Thursdays we'll be remembering back to events that happened before we had to close the college doors. Last Thursday we remembered International Women's Day. Read about how S6C marked it here: Throwback Thursday <https://www.salisbury6c.ac.uk/throwbackthursday-international-womens-day-2020/>

If you have any questions please do get in touch, with best wishes from all at S6C

If you have any questions or concerns, please do not hesitate to contact me. And if you have any students who have not yet secured a college place for September or who have changed their mind and would now like to apply for S6C please do advise them to complete an online application form here: <https://www.salisbury6c.ac.uk/applications-for-2020-are-now-open/> and we will arrange a telephone interview for them as soon as possible.

Kind regards,

Rosie
