

## Tutorial for Accessing school work from home

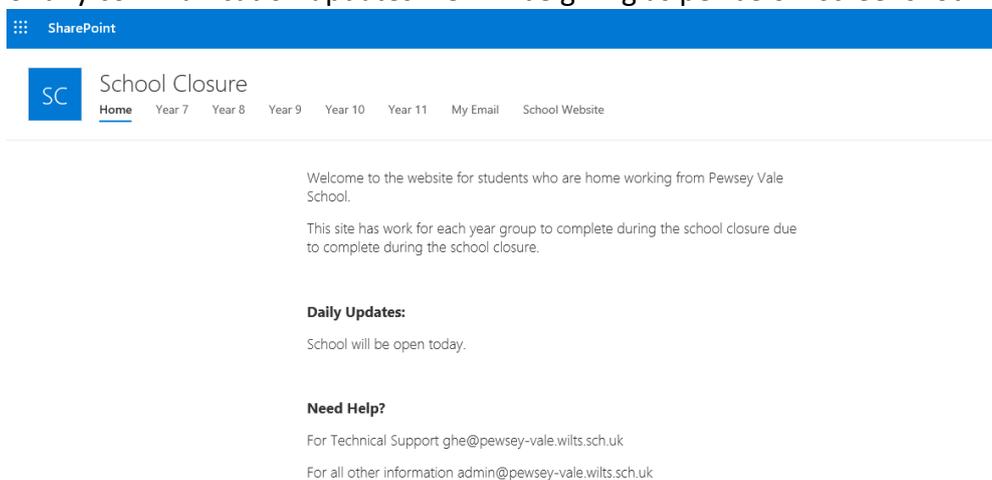

Click on the link provided on the Pewsey Vale website or find the link below:

<https://pewseyvale.sharepoint.com/sites/SchoolClosure>

You will be taken to a login page for Microsoft Sharepoint as per below screenshot. Please enter your Pewsey Vale email address here. This will be the same as your computer login, followed by '@pewsey-vale.wilts.sch.uk'. Click next and then enter the same password you use in school to login to your account.

This will take you to our Sharepoint homepage and you will see the headings for all year groups, a link to your emails if needed and a link to our school website to check for any communication updates we will be giving as per below screenshot:

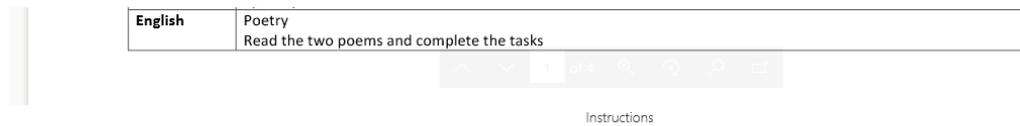

Click on your relevant year group heading and you will see a list of work set out for you to complete at home.

The document below details the work you need to complete over the next two weeks if you are in Year 7.  
All worksheets and documents are downloadable in the file browser underneath the instructions.
