EVENTS LAST TERM

• At the end of term the entries were judged for our annual **MFL Christmas card competition**. Congratulations to Alfie M for his winning entry. Well done also to the 3 runners up Jacob W, Isla B-D and Melissa D.

Runners up

• All year 7 pupils were set a voluntary **Science** homework in the weeks leading up to the Christmas break. They were working on Cells and Organisation so they were asked to make a model of a cell or specialized cell. The following pupils should be congratulated for their excellent efforts; Reuben B, Ennis O, Arielle W, James J, Lily S, Joseph V, Christian S, Lily-Mae A, Ava L, Louise S, Jether C, Bayley H, Diego C, Sylvia R, Sienna T, Ellie H and Abbie H. The models were judged by an elite team of Science Assistants and after much deliberation and discussion the following pupils were the top three entries, so a massive congratulations to all three.

1st Isobel C • 2nd Abigail E • 3rd Dolly E

EVENTS THIS WEEK

• We welcomed all our students back to school on **Wednesday** after the holidays. We hope that you had a restful and enjoyable Christmas break and are feeling ready for the new term ahead. This time of year is often a period of reflection and we would like to take this opportunity to remind you that good school attendance builds habits that will last a lifetime and transfer to life beyond school. It is difficult to 'catch up' when time is missed, and for students starting the school day late, it can have an impact on their entire day.

As a school we are required to track data on school attendance and to contact you if we see patterns of irregular attendance. Our tutors are the first point of contact if your child is struggling and this is impacting on their daily attendance please reach out to them in the first instance.

We care about each of our students and want them to achieve their full potential and feel that they belong at school. It is important for us, school and home, to work together for the success of your child.

- On **Wednesday** afternoon the Year 11 Health & Social Care students sat their mock exam.
- We have an updated timetable of **Lunchrichment** clubs on offer at lunch time, please see the calendar below.

EVENTS COMING UP

- **Bags 2 School** will be making a collection from school on **Wednesday 12th February**. Bags will be sent home with students prior to this for you to fill with any unwanted items of clothing. It is a fantastic way for the PTFA to raise funds for the school.
- Our **Year 11 Parent's Evening** will be held in school on **Thursday 16th January**, bookings are available on-line via the quick-link on our website. It is vital that you attend this evening, if for any reason you are unable to attend, please can we ask that your student still attend this important evening and book in to meet with their lesson teachers.
- **Thursday 6th February** our **Year 11** badminton team will travel to the Melksham sports campus for the county finals **badminton tournament**. We wish them the best of luck.
