ATTENDANCE

- Attendance focus fortnight

At the start of next term, 3rd- 16th November, we will be running our first attendance focus fortnight. This fortnight is an opportunity for all students to maintain or improve their attendance at school. At the end of the two-week period any student with 100% attendance, during the focus weeks, will be entered into a draw to win prizes.

Attendance is the biggest factor in helping students to achieve their potential. As a school we are really putting this at the forefront of everything we are doing to promote positive outcomes for our students.
