EVENTS THIS WEEK

- Last **Friday** we took 8 **Year 11** students to Trafalgar School in Downton for a **badminton tournament**. They played fantastically and this resulted in a team being put forward to the county finals in the new year. Well done to everyone who played.
- Our **Year 11** students continued their mock exams this week, these were sat under normal exam conditions and have almost finished now, with just the Art mock left to sit on Wednesday 18th December.
- On **Monday** our **Year 7 Football team** played their second match, this time against Stonehenge School. The first half took a while for the students to warm up, however, they held their own in the second half. They have Wellington Academy after Christmas for the final round of the Cup.
- On **Wednesday** our **Year 7 Netball teams** played their first match against St Johns School. It was lovely to take 2 teams to the match and both teams were extremely excited. There were some good plays from both teams, but unfortunately there was not a win this time. We look forward to their next match after Christmas .

EVENTS COMING UP

- We will be hosting our **Presentation Evening** on **Thursday 28th November** at 6pm. This is the event where we celebrate our former Year 11 students, as they come in to collect their GCSE Certificates.
- On **Friday 29th** the **Year 10 Art students** will be visiting Roche Court sculpture park in Salisbury.
- **Bags 2 School** will be making a collection from school on **Monday 9th December**. Bags will be sent home with students prior to this for you to fill with any unwanted items of clothing. It is a fantastic way for the PTFA to raise funds for the school.

CAREERS

- **Digdata** is thrilled to announce free virtual work experience events with National Highways this November and December. These career challenges are designed to develop key employability skills such as problem solving, data literacy, storytelling, and presentation. Hosted on Microsoft Teams, these sessions take place outside of school hours, making them easily accessible.

Students will enjoy: • A 45-minute briefing with the National Highways team • The opportunity to complete a career challenge at their own pace • Certification upon completion.

These events provide valuable insights into emerging careers and help students build skills that will enhance their future education and employment choices.

First Step - for students in years 7,8,9

Wednesday 27th November at 4.30pm (45-minute briefing session on MS Teams)

Gain virtual work experience with National Highways!

OTHER INFORMATION

This holiday season, we are partnering with Lowerfields Farm Trees to spread some extra Christmas cheer. In exchange for providing our school with a beautiful real Christmas tree, which will be on display from Monday 2nd December, they have asked that we advertise their Farm in Coate, Devizes, which opens on Saturday 23rd November. They have also provided **£5 off** vouchers to share with our students and their families.

These vouchers will be available from the school office from Monday 25th November.
