## EVENTS THIS WEEK

- We would like to welcome our new Food Tech teacher Mr Bye into school this week, he will be teaching all our year groups in the coming weeks.

## EVENTS COMING UP

- **Tuesday 11th June** we have visitors from the NCS in school to run a workshop with **Year 10** during Enrichment talking about how to deal with exam stress.
- **Tuesday 11th June** we also have a number of Year 7 students participating in an **athletics event** at Marlborough College for the day.
- We have a handful of selected students visiting **Longleat** on **Wednesday 12th June** as part of a 'Kidsout' trip organised by the Marlborough Rotary Club.
- **Wednesday 12th June** we also have our Year 8 students going on their **Geography trip** to Linkenholt Countryside Adventure Centre.
- **Friday 14th June** will be an inset day for all Year 7, 8, 9 and 10 students. Year 11 students will be in for their exams and transport will be running for those students.
- On **Tuesday 16th July** our Year 7 students will be undertaking a **first aid course** run by the Wiltshire Air Ambulance service. The cost of this course is £2 per student, payment can be made via ScoPay or into the school office and should be made by Friday 12th July.

## CAREERS

### • New College Swindon Open Event

On June 18th both campuses of New College Swindon will host open events from 5pm- 7pm. For more information on this plus other New College events please click on <https://www.newcollege.ac.uk/information/open-days-and-events/>

### • New College Swindon Newsletter

To view the current New College newsletter please click on the following link [file:///C:/Users/TAR/AppData/Local/Microsoft/Windows/INetCache/Content.Outlook/J9XWHGOX/Schools%20Liaison%20Newsletter%20-%20MAY%2024\\_r3.pdf](file:///C:/Users/TAR/AppData/Local/Microsoft/Windows/INetCache/Content.Outlook/J9XWHGOX/Schools%20Liaison%20Newsletter%20-%20MAY%2024_r3.pdf)

### • Apprenticeships and Technical Education Broadcast

On Friday 14th June join the Careers and Enterprise Company's Apprenticeship and Technical Education broadcast any time from 8:30am. The broadcast will be available for you to be able to stream at whatever time suits you from 8:30am- this is an INSET day so an ideal opportunity to do something useful for 30 minutes of the day! Discover everything you need to know about Apprenticeships and technical routes into employment, what courses are offered at your local colleges, what's it like to study there and where might these qualifications take you. If you have any questions, you can ask them in the live chat and get answers from their panel of experts who will be online from 8:30am and throughout the day. Please click on this link to join (you will need to register but it is quick and easy to do so) <https://careersliveuk.com/partner/swindon-and-wiltshire-lep/>

### • NEW Edition of the Amazing Apprenticeships Parents/Carers Pack

The May 2024 edition of the Parents and Carers pack includes insights into the experience of a Level 5 Leadership and Management apprentice. You can also find out more about exciting and sustainable apprenticeship opportunities, T Levels and much more. Click on this link to access the pack <https://www.apprenticeships.gov.uk/influencers/support-for-parents-and-guardians>

### • Uni Taster Days: All Open Day details in one place

Use the searchable events section on the Uni Taster Days website to find all the open day events relevant to your students' choices. <https://www.unitasterdays.com/search.aspx?SFID=5&Sort=D>

### • UCAS Apprenticeship Resources

In their drive to achieve parity between university education and apprenticeships, UCAS have released more guidance for those pursuing the apprenticeship route:

For students: [UCAS Early Careers Booklet](#)

For Students: [UCAS Apprenticeships Information Leaflet](#)

For Parents: [The parent and guardian guide to HE and Apprenticeships](#)

### • Apprenticeships in the Royal Signals - The British Army webinar

On 18th June at 3.30. The Royal Signals are at the forefront of everything that the Army does, in conflict and in peace. Whether fighting to set up complex computer and radio networks under fire or enabling communications for humanitarian missions, soldiers are dynamic, flexible and able to use their initiative to meet any challenge. They ensure the Army's lines of communication are working effectively and free from security breaches. Join this webinar to learn more about the range of apprenticeship opportunities available within the Royal Signals and to hear from inspiring Soldiers about their career journey, what their apprenticeships involve and why they chose an apprenticeship with the Army.
