

Going to sixth form or college in September 2023?

Have you thought about how you will travel there?

Students who are aged over 16 do not receive a free bus pass to travel to college or sixth form. You will therefore need to decide how you are going to travel there and what is the best way to pay for a bus pass or season ticket. Enquiries can also be made with the school or college regarding bursary funding.

To find out more about the options open to you please visit the Wiltshire Council website at <http://www.wiltshire.gov.uk/schools-learning-transport> before the end of June 2023 as you may be able to pay for your bus pass in instalments if you apply before July.

Do you need help with transport?

If you live in Wiltshire and your family has a low income, you may be able to purchase a bus pass through Wiltshire Council at a lower rate than going direct to the bus company. If you are on a low income we recommend you apply for a Bursary through Wiltshire College or the school as this is the most cost effective route. Please contact the college or school directly. However, you will only be able to pay in instalments if you apply to the council before the end of June, so please visit our website now to see if you qualify for one of these passes, even if you are not sure yet which school or college you will be attending.

Application forms are available from Easter 2023 from Wiltshire Council website www.wiltshire.gov.uk or from your local sixth form or college.

Alternatively email educationtransport@wiltshire.gov.uk
