

# Application for Provider Access

## Introduction

This document sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## Pupil entitlement

All maintained schools and academies must provide six encounters with a provider of technical education or apprenticeships for year 8 to 13 pupils.

As a minimum, schools must offer:

- Two encounters for pupils during the 'first key phase' (year 8 or 9) that are mandatory for all pupils to attend, to take place any time during year 8 or between 1 September and 28 February during year 9.
- Two encounters for pupils during the 'second key phase' (year 10 or 11) that are mandatory for all pupils to attend, to take place any time during year 10 or between 1 September and 28 February during year 11.

Schools and providers should work together and schools must ask each provider to provide information to pupils that, as a minimum, includes:

- information about the provider and the approved technical education qualifications or apprenticeships that the provider offers,
- information about the careers to which those technical education qualifications or apprenticeships might lead,
- a description of what learning or training with the provider is like,
- responses to questions from the pupils about the provider or approved technical education qualifications and apprenticeships.

## Management of provider access requests Procedure

A provider wishing to request access should contact Miss T Archdale.

## Opportunities for access

The school offers a comprehensive Careers Education, Information, Advice and Guidance programme and an overview of this programme can be seen in the School's Careers Policy which can be seen on the school website.

Please speak to our Careers Leader to identify the most suitable opportunity for you.

The school will make a suitable space available for discussions between the provider and students, as appropriate to the activity. The school will also make available ICT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Leader so that they can be displayed in the Careers Section of the school library.
